

Bounti Coin (BTC) Whitepaper

Abstract

Bounti Coin (BTC) is a revolutionary cryptocurrency built on the Binance Smart Chain (BEP20) to provide efficient, scalable, and secure digital financial solutions. By combining cutting-edge technology with strategic real-world applications, Bounti Coin aims to redefine the use of cryptocurrency in sectors like e-commerce, travel, hospitality, and more. With a clear roadmap and strong burning mechanism to maintain its value, Bounti Coin is set to establish itself as a leading digital asset.

Introduction

Cryptocurrencies are transforming the global economy by enabling secure, transparent, and decentralized transactions. Bounti Coin (BTC) introduces a new vision to integrate these benefits with practical applications in everyday life. As a utility token, Bounti Coin aims to bridge the gap between traditional businesses and blockchain technology.

Key Features

- Efficiency:** Built on Binance Smart Chain (BEP20), Bounti Coin ensures fast transaction speeds and low fees.
 - Security:** Advanced cryptographic methods safeguard every transaction, ensuring reliability and transparency.
 - Scalability:** Designed to handle high volumes of transactions, making it suitable for global applications.
 - Burning Mechanism:** A unique token-burning model reduces supply by 5-10% of the maximum supply annually, ensuring long-term value retention.
 - Utility:** Bounti Coin is designed to power real-world applications, including shopping, travel, dining, and more.
-

Tokenomics

- Token Name:** Bounti Coin (BTC)
 - Blockchain:** Binance Smart Chain (BEP20)
 - Total Supply:** 100,000,000 BTC
 - Max Supply:** 100,000,000,000 BTC
 - Circulating Supply:** 100,000,000 BTC
 - Market Cap:** \$1,177,734
 - Fully Diluted Market Cap:** \$1,177,734
 - Burning Mechanism:** Annual burning of 5-10% of Max Supply until it reaches 100,000,000 BTC.
-

Vision and Mission

- **Vision:** To become the most trusted cryptocurrency for real-world applications across multiple industries.
 - **Mission:** To create an ecosystem where users can utilize Bounti Coin for everyday needs, providing seamless integration of blockchain technology into daily life.
-

Roadmap

2025

- Begin listing Bounti Coin on various cryptocurrency exchanges and platforms to increase liquidity and visibility.
- Strengthen marketing campaigns to grow the community and adoption rate.

2026

- Launch a Shopping and Travel Portal in India, allowing users to purchase goods and book travel services directly using Bounti Coin.

2027

- Launch the Bounti Wallet App, enabling users to securely store, send, and receive Bounti Coin.

2028
